Darkness to Light - Stewards of Children is a revolutionary sexual abuse prevention training program that educates adults to prevent, recognize, and react responsibly to child sexual abuse. The program believes and teaches that child safety is an adult's job.

Throughout this training you will learn, the 5 Steps to protecting our children, what to do if a child discloses to you, increase your awareness of the prevalence and circumstances of child sexual abuse, signs/symptoms of child abuse, risk factors of abuse, consequences of abuse, mandated reporting policies, and much more!

Our goal is to spread awareness and knowledge through this training to Lapeer County adults in order to recognize, reduce, and prevent child abuse within our Community.
